

AQUACULTURE ASIAN-PACIFIC 2013 SESSIONS

Day/Time	Exhibit Room 1	Lobby Room	Hall A	Hall B	Room 2	Room 3	Exhibit Room 2	Room 4	Room 1
Opening & Plenary									
Wed Dec 11 8:30 - 10:30									
11:00 - 12:20		Crustacean Husbandry & Environ	Finfish Hatchery Genetics	Other Molluscs	Finfish Nutrition	Economics & Management	General Aquaculture	Aquaponics	Environment
14:00 - 17:00	Feeding For Profit	Crustacean Hatchery & General					Marketing	IMTA	Lobster
17:00 - 18:00	Happy Hour								
Thu Dec 12									
8:30 - 10:10	Disease in Shrimp	Freshwater Prawns	Finfish Health	International Oyster Symposium 5	Lipids & Funct. Functional Ingredients	Biofloc	General Crustaceans	Other Species	VIFINET
10:40 - 12:20	EMS Shrimp Workshop - AAN		Tuna, Cobia & Yellowtail		Alternative Proteins of Aquafeed	Finfish Husbandry & Environment	Aquatic Pathogens	GILLS	Seahorses
13:50 - 15:30	1st Aqua Forum for Industry	Crustacean Nutrition							
16:00 - 17:20	Presidents' Reception								
Fri Dec 13									
8:30 - 10:10	Restructuring Vietnam Aquaculture Toward Sustainability	Crustacean Health	Tuna, Cobia & Yellowtail - cont	International Oyster Symposium 5 continued	Pangasius	Novel Feeds, Feed Additives and Ingredients	ASEM	Sea Bass	Aquaculture without Frontiers
10:40 - 12:20	General Aquaculture 3		Tilapia	Education	Utilization of Amino Acids in Aquaculture	Soy Utilization in Aquaculture	General Aquaculture 2	Recirculation	Sustainable Development
13:50 - 15:30								Algae	
16:00 - 17:20	Closing Happy Hour								

“Positioning for Profit” is the theme of the Asian Pacific Aquaculture Conference and Trade Show scheduled from 10-13 December 2013 in Ho Chi Minh City. The conference emphasizes the need for the whole industry to take a more strategic approach to expansion.

Dr Pham Anh Tuan is Deputy Director General at the Directorate of Fisheries (D-FISH) of the Ministry of Agriculture & Rural Development (MARD) in Hanoi since March 2010. Dr Pham Anh Tuan is an aquaculture expert in various fields such as Aquaculture extension, project design & management, development of aquaculture techniques suited to varying geographic and socioeconomic conditions, aquaculture extension and development as a component of integrated rural development. Dr Pham Anh Tuan has experience in freshwater species such as Grass Carp, Chinese Carp, Tilapia, etc. especially on the reproduction cycles and techniques.

Dr. David Hughes, the second plenary speaker, is Emeritus Professor of Food Marketing at Imperial College London, and Visiting Professor at the University of Kent Business School and at the Royal Agricultural College, U.K. David is a much sought-after speaker at international conferences and seminars on global food industry issues, particularly consumer trends, and is a strong proponent of building vertical alliances between key chain members in the food industry – farmers, life science and input companies, ingredient firms, food and beverage manufacturers, retailers and food service.
